Dear Family and Friends

May/June 2024

As May unfolds its petals, Logwood Village joins the global community in dedicating this month to a cause close to our heart: Mental Health Awareness. Amidst the picturesque landscapes and the gentle rustle of trees, our community stands united to raise awareness, foster understanding, and offer support to those navigating the intricate pathways of mental health. This year, our focus is beyond the conventional realms of mental health to encompass the often overlooked but equally significant realm of intellectual disabilities. As we strive for inclusivity and empathy, it is imperative to recognize the diverse spectrum of challenges individuals face in their mental well-being journeys.

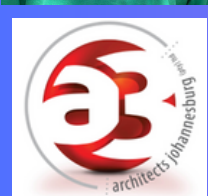

At Logwood Village, we are committed to fostering an environment of compassion and understanding. Through educational initiatives, counselling, and community outreach programs, we aim to shatter stigmas surrounding mental health and intellectual disabilities.

Let us use this month as an opportunity to engage in open conversations, extend a helping hand, and cultivate a culture of acceptance. Together, we can create a community where everyone feels seen, heard, and valued.

Join us in this noble endeavor as we embark on a journey towards a brighter, more inclusive future for all residents of Logwood Village. Let's pledge to be advocates, allies, and sources of support for one another, not just this month but every day. Together, we can make a difference. Together we can build a community where mental health thrives and everyone finds their place in the sun.

Blessings

Logwood Village Management Team.

Follow

In today's interconnected world, our social media presence serves as a vital hub for staying updated and engaged with the happenings in our vibrant community. By interacting with our social media presence, it allows us to generate a great audience, and by increasing our followership, we amplify our collective voice, making it easier to spread awareness about important initiatives, fundraisers, and community projects. Your active involvement not only strengthens the sense of unity within Logwood Village but also fosters a supportive network where ideas can be shared and celebrated. Join us on social media today and be part of this dynamic exchange of knowledge, inspiration, and pride.

**25TH MAY
2024**

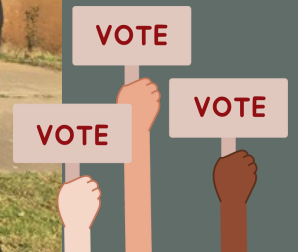

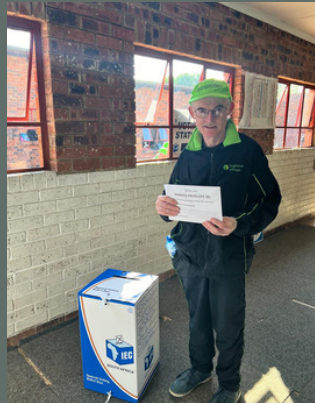

Another successful indoor hockey event took place on Saturday at Logwood Village, where our unified team distinguished themselves with exceptional performance. Congratulations to the team for their outstanding efforts!

LOGWOOD VILLAGE VOTED!

Logwood Village believes that our residents should have the right to vote as it upholds their dignity and agency in society. Voting empowers our residents to participate in shaping the policies and decisions that directly impact their lives. By allowing our residents the opportunity to vote, we acknowledge their inherent worth and recognise their perspectives as valuable contributors to the democratic process. Ensuring their inclusion in the elections promotes equality and fosters a more inclusive society where all voices are heard and valued. Logwood is so proud to have left a footprint in the democracy of South Africa.

HAPPY Birthday
