Dear Family and Friends

June 2025

June has been a landmark month for the community at Logwood Village. Cottage 23 has made significant progress, entering its final phase of construction and nearing readiness to welcome its first new residents. This accomplishment represents a substantial step forward for Logwood Village, and we eagerly anticipate unveiling the space and celebrating this milestone with everyone.

In just a few weeks, we will commence transformative renovations on Cottage 18 to enhance its comfort, accessibility, and sense of pride. These improvements, generously funded by our donor, Resourgenix, will revitalize the house and further uplift Logwood Village.

June also brought moments of joy and togetherness through our spirited ten-pin bowling tournament. Witnessing residents come together to share laughter and celebrate each other's achievements warmed our hearts. Each participant served as a reminder of the strong bonds that define Logwood Village.

We are also filled with excitement as we prepare for the upcoming RACA competition. With rehearsals well underway, the dedication and creativity on display have been truly inspiring!

Finally, as Race Day approaches, we are overwhelmed by the enthusiasm shown—tables are selling out quickly! We encourage everyone to reserve a spot as soon as possible. We look forward to an afternoon filled with thrilling races, delicious food, and heartfelt camaraderie.

Blessings,
The Logwood Village Team

Welcomes Jabulani Mthombothi

Dear Parents and Guardians,

We are thrilled to announce the return of Jabulani Mthombothi, our beloved social auxiliary worker, to Logwood Village.

Jabu was an integral part of our community in the past, and during his tenure, he earned the deep appreciation of both staff and residents for his warm demeanor, unwavering dedication, and cheerful spirit. His return feels like a joyous homecoming, and we could not be happier to welcome him back.

Since his departure, Jabu has acquired valuable experiences and skills that we eagerly anticipate him bringing to our community. We are confident that his contributions will further enrich the lives of our residents and enhance the supportive environment we strive to cultivate at Logwood Village.

Cottage 23 Update

Cottage 23 is now in the final stages of its transformation and is nearly ready to welcome its first new residents.

We are pleased to announce that the cabinets have been beautifully installed, the bathrooms boast tiled floors and walls, and the interior has received a fresh coat of paint, including pristine new skirting boards throughout the house. With these thoughtful enhancements in place, we are now finalizing the details in preparation for our grand reveal celebration.

We eagerly anticipate unveiling the completed cottage. The maintenance team has truly excelled in this project, and we take immense pride in their outstanding work. This progress would not have been possible without the generous support from **CCD Couriers!**

Logwood Village has embarked on a new initiative and is excited to announce our Wellness Days, facilitated by our Medical Department under the leadership of Sr. Deborah. Logwood Village takes great pride in ensuring that all our residents maintain their health and well-being, and we believe these Wellness Days will significantly enhance our commitment to this cause. We will keep everyone updated on further developments.

Dear Friends,

As we continue our efforts to care for and maintain the well-being of our beloved residents, we are excited to announce our **Logwood Village Coin Drive!**

This initiative aims to gather spare change to directly support the residents who have no family or means of funding for their basic needs. With your help, we will be able to provide essential care for those who need it most.

Here's how you can get involved:

1. **Fill a 1.5L Bottle:** We kindly ask that each family fills a 1.5-liter bottle with all their spare change. Whether it's loose coins from your pockets, jars, or couches, every little bit counts!
2. **Use Your Own or Collect One from Us:** If you already have a suitable bottle at home, great! If not, we'd be happy to provide you with a 1.5L bottle from Logwood Village to fill.
3. **Submit at the End of the Year:** Once your bottle is filled with coins, simply hand it in to us by the end of the year. Our goal is to fill **60 bottles** by that time, and we need your support to make it happen.

We believe this initiative will not only help us raise essential funds for the care of our residents but also encourage a sense of community and kindness. It's a small act of giving that can make a big impact.

Thank you for your ongoing support and for helping us create a better, more loving environment for those who call Logwood Village home.

We extend our heartfelt gratitude to Arika and the Staude family for contributing a full bottle of Coins.

Logwood is truly appreciative of your support! We look forward to welcoming other families to participate in the coin drive as well.

Our Residents view

The residents of Logwood Village were so excited to bowl in the Alley Cats bowling tournament this month. We were separated into two divisions and played against each other. What fun we had! Balls were bowled, snacks and drinks were had, and medals were given out! I was so happy to come home with the highest Men's score and a beautiful medal!

What's In This Month's Issue?

The Return of Jabu Ten Pin Tournament

This month I was introduced to our new-old social auxiliary worker Jabu. All the other residents are familiar with Jabu and have all worked well with him. I am happy to announce that Jabu is a great person, and I get along very well with him. I am happy to take direction from Jabu and am excited about all the new changes he plans to bring to Logwood Village!

Welcome, Jabu!

Until we meet again next month... Sending all my love, Graham!
