Dear Family and Friends

November 2025

As we conclude another extraordinary year at Logwood Village, we are filled with immense pride and gratitude for all we have accomplished together. The year 2025 has been characterized by growth, progress, compassion, and community. It is thanks to each resident, staff member, family, volunteer, and donor that Logwood Village continues to shine as a place of belonging and purpose.

This year, Logwood Village celebrated several significant milestones. We strengthened our programs and expanded our offerings, allowing residents to engage in new and exciting activities that nurtured creativity, independence, and joy. We were fortunate to receive remarkable acts of generosity from families, friends, and charitable organizations. From equipment donations and monetary contributions to new house renovations and, notably, our new 23-seater bus, our village continues to thrive due to the heartfelt support of those who truly care.

Our events this year, including Race Day, Mandela Day, and various creative projects, showcased the spirit and talent of our residents, as well as the dedication of our staff, who worked tirelessly to ensure that each event was executed with precision and excellence.

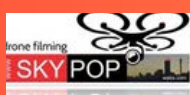

As we close the chapter on 2025, we want to take a moment to thank each and every one of you for the vital role you play in making Logwood Village the warm, vibrant community it is today. Your kindness, trust, and ongoing support fuel our mission and inspire our work.

From all of us at Logwood Village, we wish you and your families a joyful, peaceful, and safe holiday season. May the new year bring you happiness, strength, and new beginnings. We look forward to an even brighter 2026 together.

Blessings,
The Logwood Village Team

ELIZABETH CARDOSO FAMILY TRUST

Dear Family and Friends,

As the holiday season approaches, Logwood Village wishes to extend a heartfelt request for your support. The residents of Logwood Village, unfortunately, lack the warmth of family and the joy of Christmas to anticipate during this special time of the year. Many spend the holidays at Logwood Village annually.

This is where your generosity can make a significant impact. Your contributions can provide these individuals with a sense of belonging, comfort, and the festive spirit that everyone deserves during the holidays. Donations will be allocated towards Christmas presents and outings for the residents throughout the festive season.

If you would like to make a donation, please kindly use the following banking details. Your kindness and generosity mean more than words can express. Together, we can ensure that every resident at Logwood Village feels the true spirit of Christmas—love, belonging, and joy.

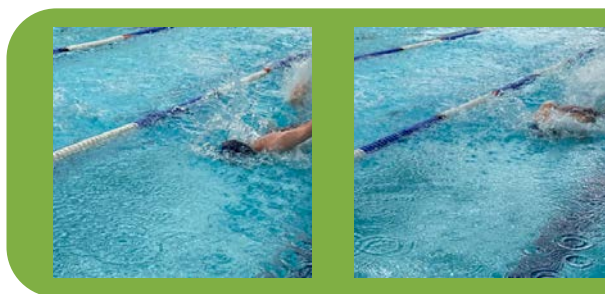

Thank you in advance for your kindness and support! The Logwood Management Team ❤️❤️

BOWLING TOURNAMENT

Residents of Logwood Village recently participated in a Ten Pin bowling tournament, which was a delightful experience for everyone involved. We take great pride in the outstanding performances of each participant.

Sr Rehet Orlandini

Logwood Village has had the privilege of hosting Sr. Rehet Orlandini, who has come to complete her practical training in foot care. Sr. Rehet has been instrumental in educating both our residents and staff on proper foot care procedures. The knowledge she has imparted will undoubtedly benefit Logwood Village for many years to come. Thank you, Sr. Rehet, for your invaluable service and expertise; you have made a significant impact on all of us at Logwood Village.

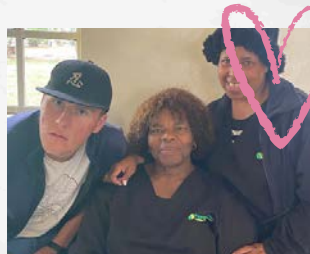

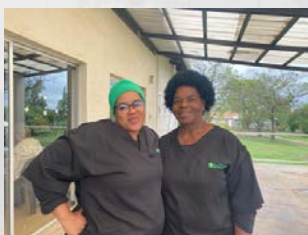

DIABETES AWARENESS

On Friday, December 5th, Sr. Deborah and her team conducted an informative session for our residents on diabetes, including its causes and prevention strategies. The discussion prompted numerous questions from the residents, who left feeling more educated and informed. Congratulations to the Nursing Team for delivering such an impactful and enlightening presentation.

Farewell Aggi

Agrineth Sithembile Made began her journey with Logwood Village in 2002 and has since devoted her career to the well-being of its residents. Agi has played a pivotal role in numerous sporting events at Logwood Village, serving as both an inspiration and a mentor to our girls. As Agi enjoys her well-deserved retirement, we extend our heartfelt gratitude for her many years of dedicated service. We wish you all the best, Ms. Agi; Logwood Village will certainly miss you!

On November 14, 2025, Logwood Village had the opportunity to bid farewell to one of our former residents, Roald. The memorial service was beautifully conducted, featuring heartfelt tributes from friends, as well as a moving choral performance honoring Roald's life. A tree was planted, accompanied by a plaque to commemorate the remarkable individual he was. We extend our gratitude to his mother for making the special trip to join us on this poignant day. Rest in peace, Roald; you will be deeply missed by everyone at Logwood Village.

Logwood Village's new bus

As many of our families are aware, Logwood Village has been fortunate to receive one of the most sought-after items from our wish list. After considerable effort and preparation, we are thrilled to announce that a brand new 23-seater bus has been generously donated to Logwood Village by our new friends at the South African Muslim Charitable Trust (SAMCT). We extend our heartfelt gratitude to Rasheeda Motala and her team for this incredible contribution. We invite you to enjoy the accompanying photos and videos capturing the arrival of our new bus.

Thank you

Christmas Lunch 2025

Logwood Village celebrated its annual Christmas lunch on November 26th, marking a joyful occasion filled with excitement and camaraderie. Residents and staff alike indulged in delicious food while engaging in dancing and festivities—a delightful way to bid farewell to 2025!

Christmas Concert 2025

Our residents delivered an outstanding performance at the annual Logwood Village concert. We take immense pride in the hard work, time, and dedication they invested in making this event a success. We would also like to extend our gratitude to all the parents and family members who participated in the festivities.

Dear Friends,

As we continue our efforts to care for and maintain the well-being of our beloved residents, we are excited to announce our **Logwood Village Coin Drive!**

This initiative aims to gather spare change to directly support the residents who have no family or means of funding for their basic needs. With your help, we will be able to provide essential care for those who need it most.

Here's how you can get involved:

1. **Fill a 1.5L Bottle:** We kindly ask that each family fills a 1.5-liter bottle with all their spare change. Whether it's loose coins from your pockets, jars, or couches, every little bit counts!
2. **Use Your Own or Collect One from Us:** If you already have a suitable bottle at home, great! If not, we'd be happy to provide you with a 1.5L bottle from Logwood Village to fill.
3. **Submit at the End of the Year:** Once your bottle is filled with coins, simply hand it in to us by the end of the year. Our goal is to fill **60 bottles** by that time, and we need your support to make it happen.

We believe this initiative will not only help us raise essential funds for the care of our residents but also encourage a sense of community and kindness. It's a small act of giving that can make a big impact.

Thank you for your ongoing support and for helping us create a better, more loving environment for those who call Logwood Village home.

We would like to thank
the Fitzpatrick Family,
The Jooste Family,
The Maseko Family,
The Pyror Family,
The Haswell Family for
all donating towards
our coin drive. We are
eternally grateful for
these amazing souls
who collected coins for
us throughout the year.

Thank You!

Logwood Village wishes to take this opportunity to express our heartfelt gratitude to Caitlin and the Monnas Interact Club for their generous donation of snack packs for our residents. It is important to acknowledge that these young individuals have dedicated their time and effort to raise funds in various ways for the benefit of the residents of Logwood Village. Under Caitlin's guidance and support, the Monnas Interact Club has truly distinguished itself by consistently stepping up for our community. Whenever Logwood Village seeks assistance, this club is always there to lend a helping hand. Thank you, Caitlin, for mentoring these youth and for being the driving force behind their efforts. Logwood Village is immensely appreciative of all the support we have received from you and your team!

Our Residents view

Logwood Village had a very busy November; we had so many events that we all participated in.

We got to celebrate the Christmas concert, watching all the residents perform their talents.

We enjoyed a great Christmas lunch with the staff and residents all together, enjoying the day with good food and company, and we finished the month off with our Ten-Pin bowling tournament, which was a great success! Wishing you all a very merry festive season!

Woolworths - My School card

Dear Parents and Guardians,

Woolworths has combined My School and WRewards into one new program called My Difference—making it easier, smarter, and more rewarding to give back.

What this means for Logwood Village:

The My School program is being phased out, meaning that in order to keep supporting Logwood Village, you need to reselect us as your cause.

How to Join My Difference:

1. Download the Woolies app.
2. Sign in or join My Difference.
3. Go to the loyalty hub and tap Causes.
4. Select Choose my own.
5. Search for Logwood Village.
6. Shop as usual and see how your groceries help us raise funds for Logwood Village.

Please note that the old My School card will no longer work after the 31st of March 2026, and we will no longer receive funds from this avenue.
