Logwood Village Running Team

We are reaching out with heartfelt enthusiasm and a compelling vision to introduce our new Logwood Village Running Team; an initiative designed to empower and uplift individuals with unique abilities through the transformative power of running. This endeavor is not merely about crossing the finish lines but also about building confidence, fostering inclusivity, and celebrating the incredible spirit within each participant. However, to turn this dream into a reality we humbly seek your support and generosity. We are looking for any old running sneakers, shorts and shirts for the team. By investing in our running team, you are not only facilitating physical activity but also nurturing a team where everyone is valued, encouraged, and given the opportunity to shine. Please consider contributing to this meaningful cause and let's make strides towards a more inclusive and compassionate world.

Social work Department

The winds of change carry tidings for the Social Work Department in the year of 2024. With great excitement, we unveil the new additions to our esteemed Logwood Team.

Logwood Village rejoices in welcoming its newest sorceress of compassion, Ms. Tiny Makofane. With a heart as youthful as a spring morning and two lovely daughters by her side, Ms. Tiny has been illuminating the path of social work since 2009. Her unwavering passion for aiding those in need and her boundless love for her craft have earned her a place in the hearts of many. We extend our warmest greetings and deepest gratitude for joining our ranks, Ms. Tiny. May your magic continue to uplift and heal those who cross your path.

As the winds of change sweep through the village of Logwood, a new figure steps forth, heralding a new dawn. The village hums with excitement as they welcome Mr. Rolivhuwa Aaron Ntshauba, a social axillary worker, to their midst. At the youthful age of 38, Aaron radiates kindness and gentleness, with a heart brimming with compassion. A devoted family man, Aaron is blessed with a loving wife and a little bundle of joy. Logwood Village rejoices in his arrival, eagerly awaiting the magic he will weave in their community.
